

**GIVING LIGHT
TO OUR WORLD**

Let every Seventh-day Adventist ask himself,
"What can I do to proclaim the third angel's
message?" ... It is to be proclaimed to every
nation, kindred, tongue, and people. How are
we to give it?

The distribution of our literature is one means
by which the message is to be proclaimed.

Let every believer scatter broadcast tracts and leaflets and books containing the message for this time...

None can estimate the influence that even a torn page containing the truths of the third angel's message may have upon the heart of some seeker after truth. {SW, January 5, 1904 par. 3}

“I was given instruction that as we approach the end, there will be large gatherings in our cities...and that preparations must be made to present the truth at these gatherings... Leaflets containing the light of present truth should be scattered among the people like the leaves of autumn. To many who attend these gatherings these leaflets would be as the leaves of the tree of life, which are for the healing of the nations... The time has come when, as never before, Seventh-day Adventists are to arise and shine, because their light has come, and the glory of the Lord has risen upon them.--Letter 296, 1904
