## WHAT'S WRONG WITH THAT?

- ▶ Excerpt from "The Role of the Law in Salvation" by Lewis R Walton JATS February 1991
- ▶ "Are the egocentric motivations that lead us to the cross sufficient to KEEP us there?"

---

## WHAT'S WRONG WITH THAT?

- ▶ "Somewhere we must learn that there are better reasons for the second coming than escape from arthritis and property taxes. What about heaven? What about the pain felt there every day as long as sin goes on? On occasion, television news gives us a view of other people's agony-the starving child in east Africa, the little boy blinded by an explosive device left over from the Iran-Iraq war. When we have seen all of this we can stand, we have the option of turning off the television. **Heaven does not have that option. Heaven has to watch**" -Lewis R Walton

---

## WHAT'S WRONG WITH THAT?

- ▶ “Those who think of hastening or hindering the gospel think of it in relation to themselves and to the world. Few think of its relation to God. Few give thought to the suffering that sin has caused our Creator. All heaven suffered in Christ’s agony; but that suffering did not begin or end with His manifestation in humanity...

---

## WHAT'S WRONG WITH THAT?

- ▶ "The cross is a revelation to our dull senses of the pain that, from its very inception, sin has brought to the heart of God..."

---

## WHAT'S WRONG WITH THAT?

- ▶ “Every departure from the right, every deed of cruelty, every failure of humanity to reach His ideal, brings grief to Him. When there came upon Israel the calamities that were the sure result of separation from God,—subjugation by their enemies, cruelty, and death,—it is said that

## WHAT'S WRONG WITH THAT?

- ▶ ""His soul was grieved for the misery of Israel." "In all their affliction He was afflicted: ...and He bare them, and carried them all the days of old." Judges 10:16; Isaiah 63:9" -Education 263.1

---

## WHAT'S WRONG WITH THAT?

- ▶ "Language could not be plainer. **Heaven is hurting now, and so is Jesus. There are far better reasons for hastening His coming than our selfish needs. We should long for the second advent in order to ease *His* pain** as well as ours; and, if we are the mature Christians we claim to be, with a message that will send the world to judgment, we ought to see this more clearly than any people group in the world." -Lewis R Walton

## A CALL TO REASON

- ▶ Regarding the topic of eternal torment: “If this is sound Bible truth, instead of preventing the salvation of sinners, it will be the means of winning them to Christ. If the love of God will not induce the rebel to yield, the terrors of an eternal hell will not drive him to repentance. Besides, it does not seem a proper way to win souls to Jesus by appealing to one of the lowest attributes of the mind,—abject fear. The love of Jesus attracts; it will subdue the hardest heart.”” Ellen White’s Mother, Life Sketches 49.4

## WHAT MOTIVATES YOU?

- ▶ Jesus' prayer in John 17
- ▶ Jesus desires you to be in heaven for unselfish reasons, and because He loves you
- ▶ Do you want to be with Him for unselfish reasons because you love Him?
