

THE END-TIME PROPHETIC CATALYST
NORMAN L. MCNULTY, M.D.

COMMENTARY ON THE BOOK OF
DANIEL
PRACTICAL LIVING IN THE JUDGMENT HOUR

NORMAN MCNULTY

LIVING IN THE TIME OF THE END

We are living in the time of the end. The fast-fulfilling signs of the times declare that the coming of Christ is near at hand. The days in which we live are solemn and important. The Spirit of God is gradually but surely being withdrawn from the earth. Plagues and judgments are already falling upon the despisers of the grace of God. The calamities by land and sea, the unsettled state of society, the alarms of war, are portentous. They forecast approaching events of the greatest magnitude. 9T 11.1

FINAL MOVEMENTS WILL BE RAPID

The agencies of evil are combining their forces and consolidating. They are strengthening for the last great crisis. Great changes are soon to take place in our world, and the final movements will be rapid ones. 9T 11.2

EVERY SPECIES OF EVIL PREVAILS

The condition of things in the world shows that troublous times are right upon us. The daily papers are full of indications of a terrible conflict in the near future. Bold robberies are of frequent occurrence. Strikes are common. Thefts and murders are committed on every hand. Men possessed of demons are taking the lives of men, women, and little children. Men have become infatuated with vice, and every species of evil prevails. 9T 11.3

END OF EARTH'S HISTORY

We are rapidly approaching the end of this earth's history; and as we realize that Jesus is indeed coming soon, we shall be aroused to labor as never before. We are bidden to sound an alarm to the people. And in our own lives we are to show forth the power of truth and righteousness. The world is soon to meet the great Lawgiver over His broken law. Those only who turn from transgression to obedience can hope for pardon and peace. 2SM 402.4

AROUSE THE CHURCH

We are to raise the banner on which is inscribed, "The commandments of God, and the faith of Jesus." Obedience to God's law is the great issue. Let it not be put out of sight. We must strive to arouse church members, and those who make no profession, to see and obey the claims of the law of Heaven. We are to magnify this law and make it honorable.

NATIONAL SUNDAY LAW

It is no time now for God's people to be fixing their affections or laying up their treasure in the world. The time is not far distant, when, like the early disciples, we shall be forced to seek a refuge in desolate and solitary places. As the siege of Jerusalem by the Roman armies was the signal for flight to the Judean Christians, so the assumption of power on the part of our nation in the decree enforcing the papal sabbath will be a warning to us.
5T 464, 465

NATIONAL SUNDAY LAW

It will then be time to leave the large cities, preparatory to leaving the smaller ones for retired homes in secluded places among the mountains. And now, instead of seeking expensive dwellings here, we should be preparing to move to a better country, even a heavenly. Instead of spending our means in self-gratification, we should be studying to economize. Every talent lent of God should be used to His glory in giving the warning to the world. 5T 464, 465

AGITATION FOR SUNDAY LAW

**In both the Old and the New World,
the papacy will receive homage in the
honor paid to the Sunday institution,
that rests solely upon the authority of
the Roman Church. GC 578.3**

AGITATION FOR SUNDAY LAW

Since the middle of the nineteenth century, students of prophecy in the United States have presented this testimony to the world. In the events now taking place is seen a rapid advance toward the fulfillment of the prediction. With Protestant teachers there is the same claim of divine authority for Sundaykeeping, and the same lack of Scriptural evidence, as with the papal leaders who fabricated miracles to supply the place of a command from God. GC 579.1

AGITATION FOR SUNDAY LAW

The assertion that God's judgments are visited upon men for their violation of the Sunday-sabbath, will be repeated; already it is beginning to be urged. And a movement to enforce Sunday observance is fast gaining ground. GC 579.1

AGITATION FOR SUNDAY LAW

When the angel of mercy folds her wings and departs, Satan will do the evil deeds he has long wished to do. Storm and tempest, war and bloodshed,—in these things he delights, and thus he gathers in his harvest. And so completely will men be deceived by him that they will declare that these calamities are the result of the desecration of the first day of the week. RH SEPTEMBER 17, 1901. par. 9

AGITATION FOR SUNDAY LAW

**From the pulpits of the popular churches will be heard the statement that the world is being punished because Sunday is not honored as it should be. And it will require no great stretch of imagination for men to believe this. They are guided by the enemy, and therefore they reach conclusions which are entirely false. RH
