about our farm!

Our Priorities:

Faith

- 20% of all profits go to Gospel work in Congo and Chad

Farm

- Our asparagus is
- Naturally grown
- Guaranteed fresh!
- Harvested & bundled by hand

Family

- Our family is committed to providing food you can trust!
- Our children work with us picking asparagus for you.

Why the name Miracle?

Read how our family served the greatest need while serving as missionaries in Congo. See our website!
