

Agriculture Curriculum

AdAgrA

Where do I
even begin?

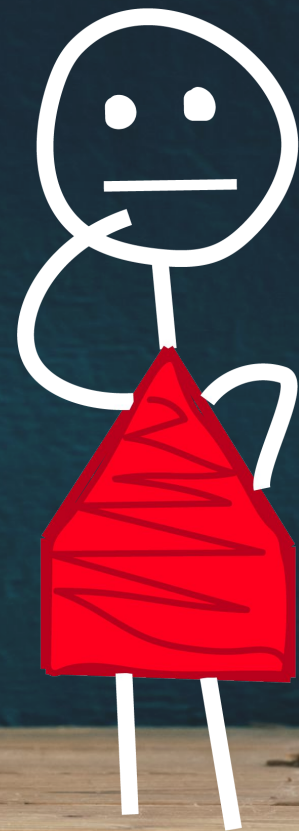

How much is it
going to cost?

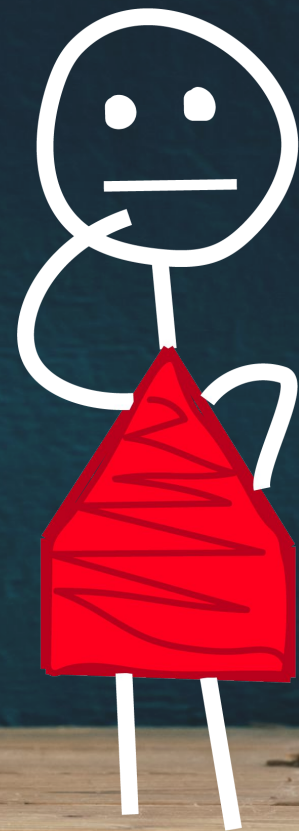

What resources are out there?

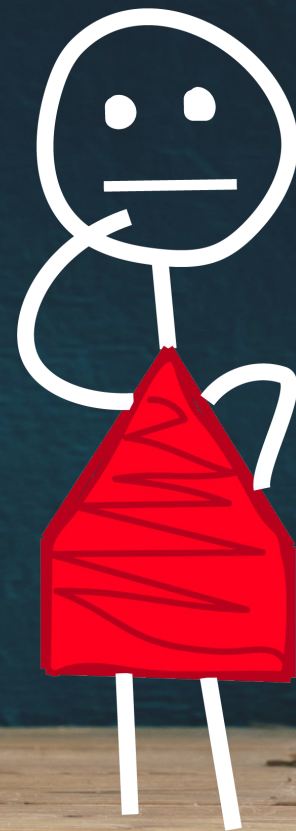

Is anyone
there to
support me?

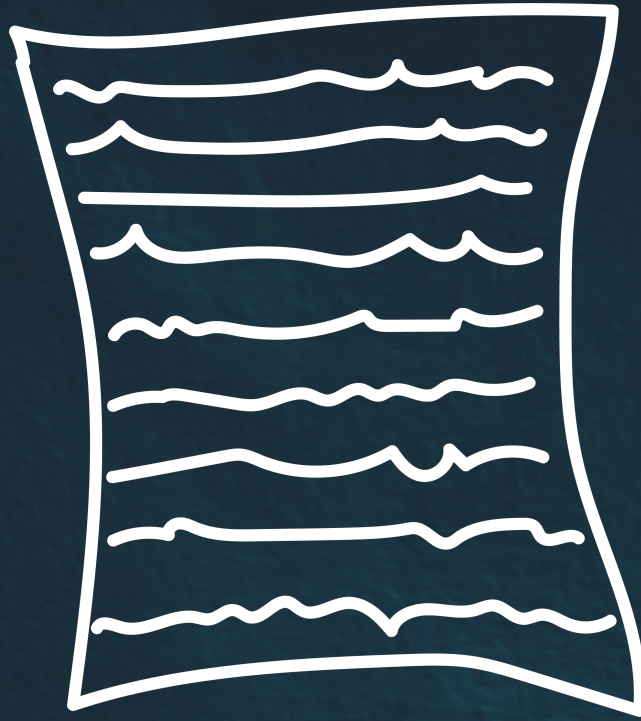

I can grow,
but I can't
teach!

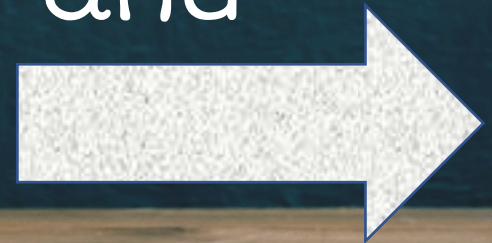

Lets create an
agriculture
curriculum!

Program
Names

Setting Goals and
Action Plans

- Working on your heart
- Ordained at the beginning of time
- Acquainting you with your Creator
