EVANGELISM & THREE ANGELS MESSAGES

DANGER

IN BEING A SEVENTH-DAY ADVENTIST

WATCHFULNESS

A person wearing a blue and white striped shirt is blowing a long, curved, dark brown horn. The background is a sunset or sunrise over a landscape, with a bright light source on the right side of the frame.

- Complicacy is contagious
- The human mind adapts to our environment rather than allowing those around us to adapt to the truth that we once upheld

| 1 Thess 5:1-7

JESUS WAS NEVER TAKEN BY SURPRISE

My **time** is not yet come ... — John 7:6

My **time** is at hand... — Matthew 26:18

Jesus knew that his **hour** was come... — John 13:1

This day is the scripture fulfilled in your ear... — Luke 4:21

It is **finished**... — John 19:30

CHRIST'S BURDEN

The **burden** of Christ's preaching was, "**The time is fulfilled**, and the kingdom of God is at hand; repent ye, and believe the gospel." **Thus the gospel message**, as given by the Saviour Himself, was based on the **prophecies**. – GC 233.1

What about us?

KNOW WHEN IT IS NEAR

Though no man **knoweth** the *day* nor the *hour* of His coming, we are **instructed** and **required** to **know** when it is **near**. {GC 370.2}

What can we know?

We can know all we need to know and we need to know all we can know. — W.D. Frazee

MODERN PROPHECY

The **work** which the church has **failed** to do in a **time of peace and prosperity** she will have to do in a **terrible crisis** under most discouraging, forbidding circumstances. ... And at **that time** the **superficial, conservative class**, whose influence has steadily **retarded** the **progress** of the **work**, will renounce the faith and take their stand with its avowed enemies... **This day is just before us.** {5T 463.2}

Two Questions:

- **What is the crisis?**
- **What is the work?**

THE CRISIS

God desires His people to **prepare** for the **soon-coming** crisis. *Prepared* or *unprepared*, they must **ALL** meet it ...
When **secular rulers unite** with **ministers of religion** to **dictate** in **matters of conscience**, **then** it will be seen who really **fear and serve** God. {AA 431.2}

U.S. Supreme Court takes aim at separation of church and state

LAWRENCE HURLEY AND ANDREW CHUNG

Tue, June 28, 2022, 6:08 AM • 4 min read

The conservative-majority U.S. Supreme Court has **chipped away** at the **wall separating church and state in a series** of new rulings, eroding American legal traditions intended to prevent government officials from promoting any particular faith.

Boebert says she is 'tired' of separation between church and state: 'The church is supposed to direct the government'

Brad Dress | Tue, June 28, 2022, 4:52 PM 3 min read

"I'm tired of this **separation** of **church** and state **junk** — that's **not** in the **Constitution**. It was in a stinking letter and it means **nothing** like they say it does," Boebert said, earning a round of applause from the audience.

The world is coming together to fight coronavirus. It can do the same for the climate crisis

Coronavirus has shown that in order to avert the worst impacts of a global crisis, world leaders need to **come together to make bold change.**

The world has been given **a trial run in global crisis management.** It shouldn't waste it.

A radical environmental proposal: **A day of rest**

By Will Hall, *Message* Executive Editor | MAY 1, 2020

ALEXANDRIA, La. (LBM)—Last week as environmentalists around the world celebrated Earth Day, I was intrigued by the potential of a biblical solution to the problem of air pollution: **a day of rest.**

A radical environmental proposal: **A day of rest**

By Will Hall, *Message* Executive Editor | MAY 1, 2020

Now, newly published information seems to bear out what should be obvious: **A weekly day of rest could help keep the balance in the environmental system** that God established to sustain man's physical existence.

Is there *nothing* you can do
about the environment?

Nothing may be one of the best things you can
do.

One day every week. Do *nothing*.

Climate change is a **global emergency** that goes **beyond national borders**. It is an issue that **requires international** cooperation and **coordinated solutions at all levels**.

Christiana Figueres, Executive Secretary of the UN Framework Convention on Climate Change; UN Secretary-General Ban Ki-moon; Laurent Fabius, Minister for Foreign Affairs of France and President of the UN Climate Change Conference in Paris (COP21); and François Hollande, President of France celebrate after the historic adoption of Paris Agreement on climate change.

The Agreement is a **legally binding international treaty**. It entered into force on 4 November 2016. Today, 195 Parties (194 States plus the European Union) have joined the Paris Agreement.

The Agreement includes commitments from **all countries** to reduce their emissions and **work together** to adapt to the impacts of climate change, and calls on countries to **strengthen their commitments over time**.

FINAL MOVEMENTS

A close-up profile of a man, likely a religious leader, wearing a white cap. He is looking down and to the left with a thoughtful expression. The background is dark and out of focus.

As we **approach** the **last crisis**, it is of **vital** moment that **harmony** and **unity** exist among the Lord's instrumentalities. The world is filled with storm and war and variance. **Yet under one head—the papal power—the people will unite to oppose God in the person of His witnesses. . . .**

FINAL MOVEMENTS

...While he seeks to **unite** his agents in **warring against the truth** he will **work** to **divide** and **scatter** its advocates. {7T 182.2}

MONOPOLIES

AGRICULTURE

In God's plan for Israel **every** family had a home on the land, with sufficient ground for tilling. Thus were provided both the means and the incentive for a **useful, industrious, and self-supporting life...**

How can we improve this plan?

A VERY SERIOUS ONE...

Again and **again** the Lord has instructed that our people are to take their **families away** from the **cities**, into the **country**, where they can **raise** their own **provisions**; for in the future the problem of **buying and selling will be A VERY SERIOUS ONE**. - ② Medication

What are the solutions?

SUMMARY:

- Not to be a **Mammoth Institution**
- Ran **exclusively** by Seventh-Day Adventist
- Ran **Sacrificially**

Was this counsel followed?

THE PROBLEM

The Lord permitted fire to consume the principal buildings of the Review and Herald and the sanitarium, and thus removed the greatest objection urged against moving out of the Battle Creek. It was His design that **instead** of rebuilding the **one large sanitarium, our people should make plants in several places.**

THE SOLUTION

...These **SMALLER SANITARIUMS** should have been established where **land** could be secured for agricultural purposes. It is God's plan that **agriculture** shall be connected with the work of our **sanitariums** and **schools**. Our youth need the education to be gained from this line of work. **It is well, and more than well,--it is essential,--that efforts be made to carry out the Lord's plan in this respect.** {CH 223.2}

THE OBJECTIVE

What is the objective of a Medical Missionary?

CHRIST EXAMPLE

Christ lived the life of a genuine medical missionary. He desires us to study His life diligently, that we may learn to labor as He labored. {8T 222.1}

SUNDAY LABOR LAW

While we were living at Cooranbong, where the Avondale school is established, the question of amusements came up for consideration. "What shall we do to provide for the amusement of our students?" the faculty inquired. We talked matters over together, and then I came before the students and said to them: CT 549.2...

The background of the image is a composite of an American flag and a document with cursive handwriting. The flag's stars and stripes are visible, with the stars in the upper left and stripes extending across the bottom. The document, which appears to be a historical or legal text, is written in dark ink on a light-colored paper and is partially obscured by the flag and the text overlay. The overall tone is serious and historical.

SUNDAY LABOR LAW

We can occupy our minds and our time profitably without trying to devise methods for amusing ourselves. Instead of spending time in playing the games that so many students play, strive to do something for the Master...

SUNDAY LABOR LAW

...The very best course for you to pursue is to engage in missionary work for the people of the **neighborhood** and in the **nearby settlements**. Whenever you are listening to an interesting discourse, ...

SUNDAY LABOR LAW

...take notes and mark down the passages that the minister uses, so that you can review the subject carefully. Then after faithful study you will soon be able to give a synopsis of the discourses, in the form of Bible readings, to some who do not come to our meetings."

...

SUNDAY LABOR LAW

...The older students decided to follow this suggestion. They had evening meetings for studying the Scriptures together. **They worked first of all for one another, and as a result of the Bible studies among themselves, a number of the unconverted were won to the truth.**

And the effort in behalf of the neighbors was a blessing not only to themselves, but to those for whom they labored....

SUNDAY LABOR LAW

...Those who went out to work for the neighbors were instructed to report any **case of sickness they might find; and those who had had training in giving treatment to the sick were encouraged to use their knowledge in a practical way.** To work for the Master came to be regarded as Christlike recreation. ...

SUNDAY LABOR LAW

...After a time the **Sunday labor question came up for consideration**. It seemed as if the lines were soon to be drawn so tightly about us that we should not be able to **work on Sunday**. Our school was situated in the heart of the woods, far from any village or railway station. No one was living near enough to be disturbed in any way by anything we might do. Nevertheless we were watched.

...

SUNDAY LABOR LAW

...The **officers** were urged to observe what we were doing on the school premises; and they did come, but they did not appear to notice those who were at work. **Their confidence and respect for our people had been so won by the work we had done for the sick in that community that they did not wish to interfere with our harmless labor on Sunday. {CT 550.3}**

A side-view mirror of a red car is shown, reflecting a religious scene. The reflection depicts a bright, heavenly realm on the left with a central figure of Jesus Christ surrounded by a choir of angels. A single angel is shown flying towards the right. On the right side of the reflection, a group of people, including men, women, and children, are gathered on a rocky outcrop, looking up and raising their hands in prayer or praise. The background of the reflection is filled with dramatic, purple and blue clouds and beams of light. At the bottom of the reflection, the text "OBJECTS IN MIRROR ARE CLOSER THAN THEY APPEAR" is written in a stylized, white font.
